Schedule.

District	Taluk	Name of Block	Approximate area in acres
Bangalore	Nelamangala ...	Nijgal Block I to V. ...	2,225 Acres. 33 Guntas. or 3·477 Sq. Miles.

Boundaries:

BLOCK I.

North.—Starting from the south-west corner of Survey No. 34 of Halenhalli, the line runs east along the southern boundary of the same survey number to the tri-junction bandh of Survey Nos. 34, 33 and 32 of Halenhalli.

East.—Then south and south-west along the western boundaries of Survey Nos. 32 and 36 of Halenhalli to the western most Hotte bandh of latter survey number; then south along its western boundary to its south-western corner; then south-east and east along its southern boundary to the west corner of Survey No. 37 of Halenhalli; then south-west and south along the western boundary of Survey Nos. 37 and 41 of Halenhalli to the south-west corner of latter survey number; then west along the northern boundary of Narasipur village to the north-west corner of Survey No. 16 of Narasipur; then south along its western boundary to its south-west corner, then west along the northern boundary of Survey Nos. 19 and 18 of Narasipur to the north-west corner of Survey No. 18; then south-west and south-east along the western boundary of latter survey number to the south-west corner of same survey number; then north-east along the southern boundaries of

Survey Nos. 18 and 19 of Narasipur to the junction bandh of Survey Nos. 19 and 21 of the same village; then south-east along the south-western boundary of Survey No. 21 of Narasipur to its southern-most corner; then south-west along the northern boundary of Survey No 10 of Bettadahosahalli to its north-west corner; then south-west along the western boundary of Survey Nos. 10 and 11 of Bettadahosahalli to the northern-most Hotte bandh of Survey 13; then west along its northern boundary to its north-west corner; then south and south-east along the western boundary of Survey Nos. 13 of Bettadahosahalli and 10 of Ramanahalli to the north-west corner of Survey No. 5 of Ramanahalli; then south-west along its western boundary to the junction bandh of Survey Nos. 5 and 6 of Ramanahalli.

South.—Then west along the northern boundaries of Survey Nos. 6 and 8 of Ramanahalli, 39 of Nijgal, 39 and 38 of Halenijgal to the north-west corner of Survey No. 38 of Halenijgal village; then north for 5 chains through Survey 32 of Halenijgal along the new cultivation land to its north-east corner; then north-west and west along its northern boundary for about 15 chains to its north-west corner; then south along its western boundary to the north-east corner of Survey No. 31 of Halenijgal; then west along its northern boundary till it meets the Tumkur District boundary.

West.—Tumkur District boundary.

BLOCK II.

North.—Starting from the south-east corner of Survey No. 88 of Halenijgal, the line runs south-east along the southern boundaries of Survey Nos. 85 and 87 to the south-east corner of the latter survey number; then south along the western boundary of No. 90 to its south-west corner; then east along its southern boundary for about 5 chains till it meets the north-west corner of the fresh cultivation land; then south along its western boundary to its south-west corner; then north-east along its southern boundary to the south-east corner of Survey No. 90; then east for about 10 chains along the southern boundary of fresh cultivation land to its south-east corner; then north along its eastern boundary to the south-east corner of Survey No. 91; then north-east along its eastern boundary to its eastern-most corner till it meets the Bangalore-Tumkur Railway line; then south-east along the same Railway line to the north-west corner of Survey No. 32 of Nijgal.

East.—Then south and south-east along the western boundary of Survey No. 32 of Nijgal to the junction bandh of Survey Nos. 32 and 31 of Nijgal; then south along the western boundary of Survey No. 31 for about 2½ chains, then west along the northern boundary of fresh cultivation land to its north-west corner; then south and south-west along its western boundary to its western most corner; then south for about 2¼ chains till it meets the northern boundary of Survey No. 93 of Halenijgal; then west along its northern boundary to its north-west corner; then north-east along the eastern boundary of Survey No. 175 of Halenijgal to its north-east corner; then west along its northern boundary to its north-west corner; then south and south-east along its western boundary to its south-west corner; then east along its southern boundary to its south-east corner; then north along its eastern boundary to the south-west corner of Survey No. 93 of Halenijgal; then south-east and east along the southern boundary of Survey No. 93 of Halenijgal and 21 and 22 of Nijgal to the south-east corner of the latter survey number; then south along the western boundary of Survey No. 23 of Nijgal to its south-west corner; then south-east and east along the southern boundaries of Survey Nos. 23 and 24 of Nijgal to the south-east corner of latter survey number; then north along its eastern boundary to the south-west corner of Survey No. 25; then north-east and east along the southern boundaries of Survey Nos. 25 and 26 of Nijgal to the south-east corner of Survey No. 26; then north along its eastern boundary to its north-east corner till it meets the Bangalore-Tumkur Railway line; then south-east along the said Railway line for about 20 chains till it meets the western boundary of Lakkur village; then south-west along the western boundary of Lakkur village to the north-eastern corner of Survey No. 104 of Agalakuppe village.

South.—Then west along the northern boundary of Survey Nos. 104, 95, 94, 90 and 89 of Agalkuppe village to the north-west corner of last named survey number; then south along its western boundary to the north-east corner of Survey No. 94 of Halenijgal, then north-west along its northern boundary to its north-west corner; then south and south-east along the western boundaries of Survey No. 94 of Halenijgal and 41 of Kalnaikanhalli to the south-west corner of the latter survey number; then east along its southern boundary to the north-west corner of Survey No. 42; then south-west along its western boundary to its south-west corner; then west along the northern boundary of Survey 39 to its north-west corner; then south along the western boundary of Survey Nos. 39 and 38 to the junction bandh of Survey Nos. 38, 37 and 36 of Kalnaikanhalli; then north-west along the northern boundaries of Survey Nos. 36 and 34 of Kalnaikanhalli to the south-east corner of Survey No. 33 of the same village; then north-west along its eastern boundary to its north-east corner; then west, south and west along its northern boundary to its south-west corner; then north along the eastern boundary of Jodi Beeragondanhalli to its north-east gadi bandh;

then west along its northern boundary to the south-east corner of Survey No. 102 of Halenijgal.

West.—Then courses along the eastern boundaries of Survey Nos. 102 and 100 to the north-east corner of latter survey number then north-east, south-east and east along the southern boundaries of Survey Nos. 97, 96 and 174 of Halenijagal to the south-east corner of Survey No. 174; then north along its eastern boundary to its north-east corner; then west, along the northern boundary of Survey Nos. 174, 96, 97 and 99 to the junction bandh of Survey Nos. 99 and 112 of Halenijgal; then north along the eastern boundaries of Survey Nos. 112 and 113 to the junction bandh of Survey Nos. 113 and 114; then north-east along the southern boundaries of Survey Nos. 114 and 115 to the south-east corner of latter survey number; then north along the eastern boundaries of Survey Nos. 115, 116 and 117 of Halenijgal to the north-east corner of last named survey number; then west along its northern boundary to the south-east corner of Survey No. 118; then north along the eastern boundary of Survey Nos. 118 and 78 to the north-east corner of Survey No. 78; then in the same direction crossing the voni till it meets the starting point.

BLOCK III.

North.—Starting from the junction bandh of Survey Nos. 3 and 2 of Kamalapur village; the line runs north-east along the southern boundary of Survey Nos. 2 and 55 of the same village to the south-east corner of the latter survey number; then east along the southern boundary of Jodi Beeragondanhalli to its south-east Gadi bandh; then north-east along its eastern boundary to the south-west corner of Survey No. 28 of Kalnaikanhalli; then east along its southern boundary to its south-east corner; then north along its eastern boundary to the trijunction bandh of Survey Nos. 28, 29 and 30 of the same village; then south-east and north-east along the southern boundary of Survey Nos. 30, 14 and 15 to the south-east corner of Survey No. 15; then east through Survey No. 25 of Kalanaikanhalli to the south-west corner of Survey No. 23; then east along its southern boundary to the north-west corner of Survey No. 24; then south along its western boundary to its south-west corner; then east along its southern boundary to its south-east corner; then north-east along its eastern boundary to its easternmost bandh; then south-east along the western boundary of Survey No. 48 of Agalkuppe to its southernmost corner bandh; then south and south-east along the western boundaries of Survey Nos. 47 and 44 to the south-west corner of latter survey number; then east along the southern boundary of Survey Nos. 44, 33 and 37 to the junction bandh of Survey Nos. 37 and 34.

East.—Then south along the western boundary of Survey No. 34 of Agalkuppe to its south-west corner; then west along the northern boundaries of Survey Nos. 120, 119 and 118 of Kengal to the north-west corner of last named survey number; then south and south-west along the western boundaries of Survey Nos. 118 and 114 of Kengal to the trijunction bandh of Survey Nos. 114 and 113 of Kengal and 42 of Veerasagara village.

South.—Then north-west along the northern boundary of Survey Nos. 42 and 43 of Veerasagara to the junction bandh of Survey Nos. 43 and 39, then north-west along the eastern boundary of latter survey number to its north-east corner; then west along its northern boundary to its north-west corner; then north, north-east, east and north along the eastern boundaries of Survey Nos. 34 and 34 of Veerasagara village to the north-east corner of latter survey number; then north-west along the northern boundaries of Survey Nos. 33, 30 and 29 to the north-west corner of last named survey number; then north along the eastern boundary of Survey No. 28 to its north-east corner; then north-west along the eastern boundary of Survey No. 24 to the junction bandh of Survey Nos. 24 and 23; then north-west along the northern boundary of Survey No. 23 to the south-east corner of Survey No. 22; then north-west along its eastern boundary to its north-east corner; then south-west along its northern boundary to its north-west corner; then south-east along its western boundary to the north-east corner of Survey No. 21; then west along its northern boundary to its north-west corner; then south-east along its western boundary to the north-east corner of Survey No. 19; then west along its northern boundary to the south-east corner of Survey No. 20; then north and north-west along its eastern boundary to its northernmost corner; then south-west along the western boundaries of Survey Nos. 20 and 19 to the junction bandh of Survey Nos. 19 and 17; then south-east and south-west along the western boundary to Survey Nos. 17 and 16 to the trijunction bandh of Survey Nos. 16, 18 and 11 of Veerasagara village; then west along the northern boundary of Survey Nos. 11 and 10 of Veerasagara village to the north-west corner of Veerasagara village.

West.—Then north and north-west along the eastern boundary of Survey No. 6 of Jolamaranahalli of Tumkur Taluk to the south-east corner of Survey No. 13 of Kamalapur; then north-east along the eastern boundaries of Survey Nos. 13 and 3 of Kamalapur till it meets the Starting point.

BLOCK IV.

North.—Starting from the north-west corner of Survey No. 8 of Veerasagara village, the line runs south-east along the western boundary of Survey No. 8 to its south-west corner; then east along its southern boundary to the junction bandh of Survey Nos. 8 and 6; then south-east along the western boundary of Survey No. 6 to the north-west corner of Survey No. 4 of Veerasagara village; then south along its western boundary for about 10 chains to the north-east corner of new cultivation land; then west along its northern boundary for about 3 chains to its north-west corner; then south along its western boundary for about 20 chains to its south-west corner; then east along its southern boundary to the south-west corner of Survey No. 49 of Veerasagara; then south along the western boundary of new cultivation in Survey No. 5 of Veerasagara to north-west corner of Survey No. 8 of Sripathihalli; then south along the western boundary of Survey No. 8 of Sripathihalli for about 9 chains to the north-east corner of Survey No. 75; then west along its northern boundary to its north-west corner; then south-west along its western boundary to its south-west corner; then south-east along the southern boundary of Survey Nos. 75 and 7 to the north-west corner of Survey No. 6; then south-west and south along the western boundary of Survey Nos. 6 and 73 to the north-west corner of Survey No. 74 of Sripathihalli.

South.—Then south-west and south along the western boundary of Survey No. 74 to the tri-junction bandh of Survey Nos. 74, 71 and 70; then south-west and west along the northern boundary of Survey No. 70 to the south-east corner of Survey No. 69; then north-west along its eastern boundary to its north-east corner; then west along its northern boundary to its north-west corner.

West.—Then north-west, north-east and north along the Tumkur District boundary till it meets the starting point.

BLOCK V.

North.—Starting from the trijunction bandh of Survey Nos, 148, 149 and 158 of Devarahosahalli, the line runs east along the southern boundaries of Survey Nos. 158, 159 and 145 to the north-west corner of Survey No. 145 of Halenijgal; then south-west and south along the western boundary of Survey Nos. 145 and 144 of Halenijgal to the south-west corner of the latter Survey No., then south-east along the southern boundary of Survey No. 144 to the north-west corner of Survey No. 143; then south, east and north-east along its western, southern and eastern boundaries to the south-west corner of Survey No. 141; then south-east and east along its southern boundary to its south-east corner; then north-east along the eastern boundary of Survey Nos. 141, 140 and 139 to the south-west corner of the voni; then east crossing the voni till it meets the north-west corner of Survey No. 107.

East.—Then south-east along the western boundary of Survey No. 107 to the north-west corner of Survey No. 105; then south-west and south-east along the western boundary of Survey Nos. 105 and 104 to the south-west corner of Survey No. 103; then south-east along the southern boundary of Survey No. 103 to the north-west corner of Survey No. 102 of Halenijgal; then south-west and south-east along the western boundary of Survey No. 102 to its south-west corner.

South.—Then west and south-west along northern boundary of Jodi Beeragondanhalli to its north-west gadi bandh; then north-west along the northern boundary of Survey Nos. 49 and 48 of Kamalapur to the north-west corner of Survey No. 48 of the same village.

West.—Then north, north-west and north along the eastern boundary of Survey Nos. 14 and 13 of Palasamudra of Tumkur District to the junction bandh of Survey Nos. 13 and 12 of Palasamudra and 149 of Devarahosahalli; then south-east along the southern boundary of Survey Nos. 149 and 148 of Devarahosahalli to the south-east corner of the latter Survey No.; then north along the eastern boundary of Survey No. 148 till it meets the starting point.

Remarks.—I. Right of way over the undermentioned paths is admitted. Numbers 1, 2 and 3 are opened for men throughout the year. Numbers 4 and 5 for men and cattle.

(1) Foot-path to the shrine of Ramadevaru situated on Ramadevarabetta in Survey No. 9 of Ramanahalli, 6 feet wide and 20 chains long, open for men throughout the year for worship. It enters the Forest Block I on its eastern boundary at the southern-most bandh of Survey No. 13 of Bettadahosahalli and runs south-east through Survey No. 9 of Ramanahalli till it reaches the temple.

(2) Foot-path to the shrine of Veerabhadradevaru situated in Survey No. 92 of Halenijgal, six feet wide and 5 chains long open for men throughout the year for worship. It enters the Forest Block II on its western boundary at the middle of the eastern boundary of Survey No. 113 of Halenijgal and runs south-east through Survey Nos. 95 and 92 of Halenijgal till it reaches the shrine.

(3) Foot-path to the Daragas situated on the top of Nijgal betta. Six feet wide and 28 chains long open for men throughout the year for worship. It enters the Forest Block

II in its eastern boundary at a point about 2 chains west of north-east corner of Survey No. 175 of Halenijgal and runs north-west through Survey No. 95 of Halenijgal till it reaches the Daragas.

(4) Foot-path to Gokkatte in Survey No. 96 of Halenijgal, 6 feet wide and 15 chains long, open for men and cattle for water. It enters the Forest Block II in its southern boundary at the north-west corner of Survey No. 94 of Halenijgal, runs north-west through Survey No. 95 of Halenijgal and quits the Forest in its western boundary at the south-east corner of Survey No. 96 of Halenijgal.
